Application/Control Number: 10/719,675

Art Unit: 3727

The drawings submitted on November 21, 2003 are informal for the following reasons:

(1) The cross sectional representations of Fig. 1-3 do not provide proper cross hatching of the sectioned elements.

(2) The lines of the drawings are not of uniform width and in some instances appear crooked.

(3) The characters and reference numerals are not uniform and of equal height.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen J. Castellano whose telephone number is 571-272-4535. The examiner can normally be reached on Tu-F 6:30-5.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
